Forest Board Hike

Wednesday, August 14, 2019

6pm

Meet at 29th Street entrance to Trail 133

The Forest Board typically meets annually with the Friends of the Forest Board to hike a section of the ACFL. This year we will hike trail 133 to tour the 2016 fire zone near Little Cranberry Lake and then to trail 132. No action will be taken. The public is always welcome.
