

Notice of Closure to Written Public Comment Period Critical areas regulations update

Description of Proposal: The proposed non-project legislative action is to amend the Critical Area regulations in accordance with the Growth Management Act requirements. The critical areas ordinance regulates certain activities and development in and near wetlands, streams, fish & wildlife habitat conservation areas, geologically hazardous areas, frequently flooded areas, and critical aquifer recharge areas. The draft includes updates in accordance with state law and best available science, reorganization, and functional changes to certain requirements.

Project File: PLN-2019-0010

Proponent: City of Anacortes 904 6th Street, P.O. Box 547, Anacortes, WA 98221-0547

Location of Proposal: City limits of the City of Anacortes
