

2016-2017 Anacortes Municipal Code Updates

Information Sheet – Updated December 1, 2016

Stormwater; Clearing & Grading

DESCRIPTION

Updates to the City's stormwater regulations have been adopted in order to comply with Department of Ecology requirements that Low Impact Development (LID) practices be the preferred and commonly used approach for stormwater management in all new and re-development projects.

STATUS

The Planning Commission held a public hearing on September 14, 2016 and subsequently recommended approval of the proposed amendments to City Council. The amendments were introduced to City Council at a study session on October 10, 2016; a public hearing before City Council was held October 24, 2016, and **City Council approved Ordinance 2991, New Standards for Stormwater Management, on November 28, 2016. The new standards become effective January 1, 2017.**
